## A FEW NOTES ABOUT YOUR CAMPER'S STORE ACCOUNT:

- We recommend adding \$40-\$60 to your camper's store account online to cover purchases and activities throughout the week.
- Any remaining balance will be returned to you the next week via credit card or check. You also have the option of donating the remaining balance to camp.
- You can check your camper's balance while camp is in session and add money to the account online.
- If your camper needs money for the trip home, please pack it separately so it does not get mixed in with the store account at camp.
- Campers receiving a scholarship may not have more than \$25 in their store account.
