ARE CHANGED

# LOOKING BACK

As we reflect on the past year of ministry and life change that has taken place here at Miracle Camp, we continue to be amazed by how we see God working. We see him working in the lives of campers that come through our doors. We see him working in the encouragement and support from our loyal churches and guests. And we see him working through the financial generosity of many who believe in the ministry and power of camp.

## How Your *GIVING* Changes Lives

# CAMP STRONG

It was only a few months ago that we hit this year's \$220,000 goal for our Camp Strong Campaign. We can't say enough about how much your giving has meant to us throughout the past couple years of uncertainty. As we head into 2022, there are still many challenges that lie ahead. With this new year, however, the purpose of this campaign remains the same, improving our guest experiences and providing more opportunities for campers and guests to come to camp.
